HOW TO READ ROUTE SCHEDULES

1. Find the schedule for the day of the week and the direction you wish to ride.
2. Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
3. Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints.
4. Schedule times may vary due to deviation for premium curbside service.
